Style Notes

You can never have too many t-shirts Nail your laid-back look with an oversized t-shirt, featuring a relaxed fit for extra style and maximum comfort. Whether you're chilling in your down time or out challenging the status quo, box your silhouette with a straight, large tee and baggy pants or add bulk to your frame by choosing a lighter colour and adding a dark bomber jacket and cargos. Show off your personality with a graphic or licensed tee worn over the top of a contrasting hoodie, or go for an oversized white tee with a beige or grey twin set and matching sneakers for a breezy, streamlined look.

- Style: Printed T-Shirt
- Design: Graphic
- Fabric: Jersey
